Quotes

Attitude is everything
Be unique
Be well and laugh often
Be yourself
Beer is made by man, wine by God
Born to golf Forced to work
Breathe
Carpe Diem
Compromises are for relationships not wine
Dance your cares away
Dare to Dream
Daydream
Do the right thing
Dream Big
Dreams begin with a teacher who believes in you
eHarmony, The odds are good, but the goods are odd
Every American has the potential to get cancer And
the potential to cure it
Fairways forever Housework whenever
Get a Grip
Gone Fishing
Gone Golfing
I came to live out loud
I hope you dance
I hope you still feel small when you stand beside
the ocean
I'd rather be at the beach
If People don't grow - People don't change
It's not always about you
Let it be
Let your heart flow
Life, wow what a ride
Life's a beach
Life's a beach and then you dive
Live and let live
Live love laugh
My reality check bounced
Never be satisfied with the status quo
Seize the moment
Some days you're the dog hydrant
The early bird gets the worm but the second mouse
gets the cheese
The journey of a thousands mile begins with one
step
The sky's the limit
To thine own self be true
Whatever
Why be normal
Wish
Would you like some cheese with that whine
You are a treasure
You don't just have a future you are the future
